

We remember . . .

WILLIAM "BILL" GRIMSLEY

Deputy Sheriff Lieutenant

February 21, 1940 - April 24, 2009

William "Bill" Grimsley

August 1, 1991 - April 24, 2009

Bill Grimsley, age 69, died unexpectedly Friday morning at Norman Regional Hospital from an apparent heart attack he suffered at his home in Tuttle. Bill's wife Jill administered CPR until the ambulance and fire service arrived.

Bill was well liked and a very dedicated and active member of our agency. He was commander of the Courthouse Security Detail. Bill will be remembered as a friend to many, always with a smile and laughter.

Bill is survived by his wife Jill and two of her nieces who lived with them as their "adopted" daughters. Let us remember Jill and his family at this very difficult time.
